Father, it's time  
Have a heart for your  
Child who cries in pain  
But a strike that'll  
Not a new sign  
If you've got any you  
Blow those fools away  
Open your eyes  
A time  
Just look for too long  
They spit on your name  
Doin' everything  
Crime  
Darnned as highest  
They believe they could

Walk on the water  
Playin 'Godsleep with  
The devils' daughter  
Might kill mine  
Killed your son and  
But you don't mind  
Why, Lord, why  
Tell me why

In these lonely days  
I'd need your answer  
There's a reason why

How could you fail?  
Still it's time, turn  
The black into the light  
Why do you wait?  
Do you look down and  
Laugh at what you find?

Mistreating their  
Can't you see they are  
Daughters  
They believe they could  
Walk on the waters  
They killed your son

And might kill mine  
But you don't mind

Why, Lord, why  
Tell me why  
I'd need your answer  
In these lonely days  
There's a reason why

Why, Lord, why  
Tell me why  
Forever lasting  
Your the only light  
Tell me father, why  
Why, Lord, why

In these lonely days  
Tell me why  
I'd need your answer  
There's a reason why

Tell me why  
Why, Lord, why  
Your the only light  
Forever lasting  
Tell me father, why

Father it's time  
Father it's time
