Finished with my man
'Cause he couldn't help me with my mind
People think I'm insane
Because I am frowning all the time

All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify

Can you help me occupy my brain?

I need someone to show me
The things in life that I can't find
I can't see the things that make true happiness
I must be blind

Make a joke and I will sigh
And you will laugh and I will cry
Happiness I cannot feel
And love to me is so unreal

And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish I could but it's too late

So make a joke and I will sigh
And you will laugh and I will cry
Happiness I cannot feel
And love to me is so unreal

Can you help me occupy my brain?
Can you help me occupy my brain?
Can you help me occupy my brain?
Can you help me occupy my brain?
