Moonlight and the wheels keep turning
Moonlight and all lost souls burning
Hell high, just keep cruising on
I've got a ticket to ride

Light's out, there's a spooky voice
Light's out, for the devils choice
Hell high, just keep cruising on
I've got a ticket to ride

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

No time to recall your ticket
Gotta ride with all them wicked
End line, first class choice
Gotta listen to the devil's voice

Light's out, there's a spooky voice
Light's out, for the devils choice
Hell high, just keep cruising on
I've got a ticket to ride

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song

A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell

I'm on the helltrain now, all night long
Where the devil dance and I sing his song
A ticket stamped, a lit rocket ramp
A one way road to hell
