There's a circle of claws and a sharks shaped jaws  
Go for the kill before paying the bill  
You'd better watch your back, wear the wizard's hat  
It's coming up fat, the rot 'n' roll attack

Oh hey, feel it squeezing all your bones  
Hell yeah, feel it pissing right down your fucking throat

I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll  
I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll

A million ways or so they say  
You're going down, the king has lost his crown  
Step in the ring, we're the knockout kings  
So fucking that, the rot 'n' roll attack

Oh hey, feel it squeezing all your bones  
Hell yeah, feel it pissing right down your fucking throat

I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll  
I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll

Oh hey, feel it squeezing all your bones  
Hell yeah, feel it pissing right down your fucking throat

I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll  
I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll

I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll  
I am all evil, vicious and old  
I've laid down my soul to the gods rot 'n' roll
