We're out there rockin' every in house  
We're out there rockin' the cotton fields  
We've even seen some preachers dancin'  
Shakin' their hips to our rockin' feast

Where is the question of black or white  
These devil tunes don't care about skin  
And we don't ask for faithful servants  
Hound dogs come fine just for sin

Come join now with the helltrain coven  
Satans party-crew  
Come join now with the helltrain coven  
Room for all but few

Come join now with the helltrain coven  
Satans party-crew  
Come join now with the helltrain coven  
Room for all but few

What I love about to sing this song  
Is the rhythm that it makes  
It keeps me all night long and I just wanna burst  
I'm with the devil and life is my thirst

What I love about to sing this song  
Is the rhythm that it makes  
It keeps me all night long and I just wanna burst  
I'm with the devil and life is my thirst

We're glad you came here watchin'  
The open air that these songs match in  
A few more rhymes, one pint or two  
Come join the party, and bring your crew

Where is the question of black or white  
These devil tunes don't care about skin  
And we don't ask for faithful servants  
Hound dogs come fine just for sin

Come join now with the helltrain coven  
Satans party-crew

Come join now with the helltrain coven  
Room for all but few

Is the rhythm that it makes  
It keeps me all night long and I just wanna burst  
I'm with the devil and life is my thirst
