Come on, a little bit of sunshine
A little bit of booze
A little bit of me
And a little bit of you

A little bit country
A little bit of blues
A little slice of heaven
And a little piece of you, come on

Alcoholin' A***
Pour another drink in my glass
Alcoholin' A***
Alcoholin' A***

A little bit thirsty
A little bit used
A little bit of whiskey
And a little pinch to chew

A little bit tired
And a bad attitude
A little bit of drinkin'
And another piece of you

Alcoholin' A***
Pour another drink in my glass
Alcoholin' A***
Alcoholin'

You drove me to it, so there was nothing I could do
You pushed me down, split me right in two
Now I found the long hard road carried the weight of
you
Boy, oh, boy, God damn, there's only one thing left to
do

A little bit of Alcoholin' A***
Pour another drink in my glass
Alcoholin' ass, there's only one thing left to do

A little bit of Alcoholin' A***

Pour another drink in my glass
Alcoholin' A***
Alcoholin' A***
