

Hellyeah "Thank You"

Visit "[Thank You](#)" on MotoLyrics.com

So many things,
I didn't say,
Is it too late now that you've gone away?
So many words,
So many ways,
If you can hear me now, there's something I gotta say.

Just one more talk,
Just one more turn,
If one's too much then..

I just want to say,
Thank you,
For everything,
You ever done for me,
(done for me)
I just want to say,
Thank you,
For all the things,
For saving me,
(Saving me)

So many times,
So many days,
You helped me through,
Walked me through the rain,
So many tears,
Have washed away,
If you can hear my voice,
There's something I have to say..

Just one more talk,
Just one more turn,
If one's too much then..

I just want to say,
Thank you,
For everything,
You ever done for me,
(done for me)
I just want to say,

Thank you,
For all the things,
For saving me,
(Saving me)

It's been so long,
They say time will heal everything,
Could you send me a sign,
To fill the soul in my life,
Turn on a light,
To help me see through it all,
No one left to rescue me,
Save me...

Just one more talk,
Just one more turn,
If one's too much then..

I just want to say,
Thank you,
For everything,
You ever done for me,
(done for me)
I just want to say,
Thank you,
For all the things,
For saving me,
(Saving me)
I just want to say..

Thank you,
Mother,
Thank you,
Father,
Thank you,
Sister,
For Saving me..

I just want to say,
Thank you,
Brother,
Thank you,
Sister,
Thank you,
To all best friends..
