Ignorant
That's absolute
A happy man is ruthless
Experience won't change his life
He wants to be approved

He deserves a happy end
And sleep is almost painless
His mouth is always
Clean and right
He needs his entertainment

He's made complete
Beat twice a day
He's you and me
He's always something

He's made complete
Eat twice a day
Can't keep him down
He's always something

He's made complete
Reads every day
I'll never get down
He's always something

Guide the light
