If you're inclined to complain
It doesn't matter
He's got greater pain

Any crisis takes it's toll
Then he'll get down
Let the bad times roll

You'll never go down fighting
You'll just go down
The Crisis King is mighty
In a crisis showdown

The sole provision
He needs to live
Is what he can take
He's got nothing to give

You'll never go down fighting
You'll just go down
The Crisis King is mighty
In a crisis showdown

Go down
You'll just go down
Down
