"Driving Nowhere"

Confront the daily setbacks
All the lows and highs
With anesthetic means i'm
Fit to socialize
Driving nowhere fast
Accelerate to pass
Now I've got time to kill at last
Bombing hometowns I can
Watch it free from harm
United arab emirates
Still keep the gas in my car
Driving nowhere fast
Accelerate to pass
Now I've got time to kill at last
Keep the gas in my car
Let me go far
I'm driving nowhere fast
Accelerate to pass
Now I've got time to kill at last
