You never rid the butterflies
The hate you feel, you can't disguise
It's animal, it's chemical
It's only human to hit so low

Well, I know what you need
Well, I can tell you lies
And we'll be enemies
So dissatisfied

The dirty looks you burn inside
You won't forget 'cause you've decided
There's someone you can blame
You can feel lily white again

Well, I know what you need
Well, I can tell you lies
And we'll be enemies
So dissatisfied

Well, I know what you need
Well, I can tell you lies
And we'll be enemies, yeah
So dissatisfied

And we'll be enemies
So dissatisfied
And we'll be enemies, yeah
So dissatisfied
