With a little love, and some tenderness

We'll walk upon the water

We'll rise above the mist

With a little peace, and some harmony

We'll take the world together

We'll take 'em by the hand

'Cause I've got a hand for you

'Cause I wanna run with you

Yes indeed

I saw you tanding there

Your hair was down, your eyes were red

No comb had touched your hair

I said get up, and let me see you smile

We'll take a walk together

Walk the road awhile

'Cause I've got a hand for you

'Cause I wanna run with you

Hold my Hand

Want you to hold my hand

Hold my Hand

I'll take you to a place where you can be

Hold my Hand

Anything you wanna be because

I wanna love you the best that, the best that I can

See I was wasted, and I was wasting time

'Till I thought about your problems, I thought about your crimes

Then I stood up, and then I screamed aloud

I don't wanna be part of your problems

Don't wanna be part of your crowd, no

'Cause I've got a hand for you

'Cause I wanna run with you

Hold my hand

Want you to hold my hand

Hold my hand

I'll take you to the promised land

Hold my hand

Maybe we can't change the world but

I wanna love you the best that, the best that I can

Hold my hand

Want you to hold my hand

Hold my hand

I'll take you to a place where you can be

Hold my hand

Anything you wanna be because

I...

Hold my hand

Want you to hold my hand

Hold my hand

I'll take you to the promised land

Hold my hand

Maybe we can't change the world but

I wanna love you the best that, best that I can

The best that I can
