Man who got this
Oh don't worry bout it nigga just pass the weed
You're here suckin' up all the weed,
mouth looks like it's a box of powdered donuts
We're real dumb in here with the Louie's

In this time of bammer weed
As a Louie I know just what I need (What ya' need
cuddie)
I need an eighth of sticky gooey
and when I get this eighth I'm blowin with the Louie
Help me out
(Repeat 2x)

7 a.m. in the mornin and the monkey's at my bed
Got me cravin' and enslavin' I need some dope for my
head

And I be kickin Backwood's fore' I hit the hood no doubt
Monkey on my back turnked out

Cause It's 3.5 on my rictor scale
And if the sack aint obese you wont make the sale

I need an eighth big body's sayin
When you bring my shit make sure my shit aint hay

Cause if it's hay when you bring it
I'ma get to wingin ghetto bling blingin leave a nigga
head ringin
Fo show 3.5 of indo

Cause heads turn and bitches scream
when my man he pulled out that sticky green
It was sticky gooey residuey
one more time for my niggas in the looie

I can't spend over satchie that could buy me too much
weed
As a louie I need gooey cause the gooey's what I need

And they be rollin fat vegas we stayed smokin' major
and niggas wanna hate us because we straight playas
But ask them other niggas bout my crew and what we
doin and

We blowin crypt and that's the motherfuckin truth man
Ya know man we aint no Kurt Dogg's flowin big things
turf hoggs

Hit the block blowin Backwoods and sew it up like a
mac should you know

And Sugarwolfeezy off the heezy eat em' up best
belive me with the louie's

And it was Dubee comin' through on the sticky gooey
biotch

Grab the bud get the scissors and cut it

Grab the razor the blunt must be gutted

Up the middle like a fullback

You know we recycle the contact

I the dogg bitch I'm a smokin major

need a fast sack better hit me on my pager

Dub all's and ten sacks

ouie hold that big bomb pillows take ya way back

My back is getting smaller and my man aint callin back

If he don't call by tomorrow

I'm gonna have to start on black call me damn

(*Cell Phone Rings*)

Hello

Hey what's up my louie

Hey man when the fuck is you comin' man

Man three minutes

I need an eighth know what I mean (I got some killer
brown)

Don't want no Bobby Brown I want Al Green

Gonna hit this Bobby come around I need that shit from
Humboldt County

420 Airaqui shit that make you cough up snot

Three and a half no more no less in a Backwood it a
bust ya chest

To have a grown man cryin tears sayin damn I aint
been this high in years

That Indo only in Cali grown and we've got fat sacks in
a Valley Joe

Blowin' big bomb at my house and leavin niggas stuck
with cotton mouth

I need an eighth

That shit taste hella good
