Visit "[Insatiable](#)" on MotoLyrics.com

It's never easy
Being ignored
When you're worshiped
And adored

Attention starved
Inflatable
An ego that is
Insatiable

You've always been
So superior
Avoid eye contact
With the mirror

I still admire your
Toned exterior

I need somebody
I need someone that I can imitate
The attention that I crave
It's self esteem that I can almost save

I need somebody
I need someone that I can imitate
The attention that I crave
It's self esteem that I can almost save

I need somebody
I hate
