First I'll panic quick and listen  
To advice  
Agree to anything and try to be  
Too nice  
Then my skin flakes, another allergy  
I'm not making sense, just  
Ignore me  
Thirst I had at last  
Run the water  
Shut my mouth and run past  
What's the matter?  
Street  
crabs buy it fast  
Infect the water  
Safe and sound like the perfect food

Ice the beer, it's east to feel good  
What was that you said? I thought  
I heard my name but  
Every street crab will push the  
Vowels the same  
Thist I had at last  
Run the water  
Shu  
t my mouth and run past  
What's the matter?  
Street crabs buy in fast  
Infect the water
