Hanging out with all these dicks
Still collecting tokens
Knock 'em back, you're making no sense
You live in the moment

Wonder you're not morning sick
Making conversation
This dull arithmetic
All these stock exchanges

Swallowing everything
Sinker, hook and line
Paralyzed, anesthetized
Wasted one more time

Swarming now in duplicate
Self-esteem consultants
They are fit yet unequipped
Cannot be insulted

Swallowing everything
Sinker, hook and line
Paralyzed, anesthetized
Wasted one more time

Swallowing everything
Sinker, hook and line
Paralyzed, anesthetized
Wasted one more time

Swallowing everything
Sinker, hook and line
Paralyzed, anesthetized
Wasted one more time
