

## Helmet "Visibility"

Visit "[Visibility](#)" on MotoLyrics.com

Find something mindless that I can advocate  
Make up the me I wanna be  
Then always keep a finger on the pulse  
Maintain high visibility

We grubbing for any contact that I can make  
Then dig in deep to get ahead  
Line up the prospects that I think will take  
You know, you have to use your head

And inability remains protected  
The company I keep  
Won't let me ever be rejected

And inability remains protected  
The company I keep  
Won't let me ever be rejected
