oh thinkin' about our younger years
there was only you and me -
we were young and wild and free
now nothin' can take you away from me
we've been down the road before-
but that's over now
you keep me comin' back for more

baby you're all that i want when you're lyin' here in my
arms
i'm findin' it hard to believe we're in heaven
'cause love is all that i need and i found it there in your
heart
it isn't too hard to see we're in heaven

oh once in your life you find someone
who will turn your world around
bring you up when your're feelin' down
now nothin' can change what you mean to me
there's lots that i could say
but just hold me now-
'cause your love will light the way

i've been waitin' for so long
for something to arrive- for love to come along
now our dreams are coming true-
thru the good times and the bad
i'll be standing there by you
