Eso beso ooh that kiss,  
Eso beso ooh your kiss,  
it's got something, don't know what  
but whatever it's got, it's got a lot.

When we samba close like this,  
I caramba need your kiss,  
hold me closer and well soar,  
for the samba ist the swingingest way,  
to make amor.

As we dance and sway we carress this way,  
the samba seems to say love is here to stay,  
like the samba sound in my heart,  
begins to pound,  
I go off the ground where Im poco loco.

Eso beso ooh that kiss,  
Eso beso ooh your kiss,  
kiss me mucho and well soar,  
and well dance the dance of love,  
forever more.

Eso beso ooh lala  
Eso beso. ooh lala  
it's got something, don't knkow what

When we samba close like this,  
I caramba need your kiss,  
hold me closer and well soar,  
for the samba is the singingest way,  
to make amor.

Eso beso ooh lala  
Eso beso. ooh lala  
it's got something, don't knkow what  
but whatever it's got, it's got a lot.

When we samba close like this,  
I caramba need your kiss,  
hold me closer and well soar,  
for the samba is the singingest way,

to make amor.  
so lets dance the dace of love  
forever more
