Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

Hush my baby close your eyes  
Time to fly to paradise  
Till the sunlight brings you home  
You must dream your dreams alone

Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

Hush my baby go to sleep  
I'll be with you counting sheep  
Dreams will take you far away  
Sleep until the break of the day

Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

Tula Tu Tula baba Tula sana  
Tul'umam 'uzobuya ekuseni

dudududududu (x4)
