[Chorus]

Everything is Heltah Skeltah
Everything is Heltah Skeltah
Everything is Heltah Skeltah
Fuck with Charlie Manson tell you everything is Heltah
Skeltah

[Sean Price]

Yo, Malcolm X before he converted to Islam
House burglar, wake up and your shit gone
My life is a movie, better yet a sitcom
Planet of the Apes, I blam the cannon in ya face, P!
Overstand the underhanded ways of Sean P.
Set trap, get clapped like a nigga on Saw 3
Dirty Harry gun, the four-four clap strong
Put a hole in you, in your bullshit rap song
I, man, my flow is so spectacular
That Marshall Mathers be wishing I go back to Africa
Hah, joke, I joke, I kid, I kid
Like I smoke my coke in a cig, you dig?
P, I be the first to burst the heat clown
Wrong mask niggas catch a universal beatdown
Sean is the best
You ain't a close second peep the bronze on his neck,
bitch

[Chorus]

Everything is Heltah Skeltah
Everything is Heltah Skeltah
Everything is Heltah Skeltah
Fuck with Charlie Manson tell you everything is Heltah
Skeltah

[Rock]

The black rap Lurch, true
Real tall, real deep voice and I serve you
You rang? Bang, patience ain't only a virtue
That's you and your mans at the hospital, I will hurt you
Beat you out your shirt and your shoes, punch ya chin
off
But a pound put your face on your chest like Rick Ross

Bitch boy, you niggas just got in the way
Gun clear the lane, like Proactive clear Diddy face
You beefing, but you vegan when it's about to cook
Time to ride, your bitch ass in the mirror, like 'how I
look?'
Like a God damn snitch, like a clown
Like you bout to go tell on somebody right damn now!
What you told 'em son? Overstand your underhanded
ways
Understand my overhand right'll break his face
I seen ya posters, they a waste of space
This shit look like it suck like Macy Gray
I like Macy Gray, but ignorance is what ya'll like, bar
fights and shit

[Chorus]

Everything is Heltah Skeltah
Everything is Heltah Skeltah
Everything is Heltah Skeltah
Fuck with Charlie Manson tell you everything is Heltah
Skeltah
