

## Helstar "In My Darkness"

Visit "[In My Darkness](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Deep inside this cavity  
In the caverns of my soul  
The eternal pit of rage  
Begins to overflow

Choking every ray of light  
No one hears their killing pleas  
Consuming every drop of life  
Only I can set them free

I keep searching  
For the things I can never find  
Dark thoughts keep lurking  
Cruel and unkind  
There is no refuge  
Only hatred that transcends  
I can't stand the deluge  
Of tears for the condemned

In my darkness  
I am the waking dream  
In my darkness  
I reign supreme

I'll find peace  
In the solace of despair  
Anguish released  
On the naïve and unaware  
Shrouded in the glory  
Of my lovely scorn  
Deviant story  
Of the broken, ripped and torn

In my darkness  
I am the waking dream  
In my darkness  
I reign supreme

I'm your savior  
Your betrayer  
Liberator  
Your enslaver

Demonic voice  
Infiltrates my mind  
I will rejoice  
As reality unwinds  
On my killing spree  
Your sins I will erase  
The last thing you'll see  
Is my fucking stoic face

In my darkness  
I am the waking dream  
In my darkness  
I reign supreme
