To all my hardcore niggaz don't forget me (don't forget me)

I know the game change and all of these niggaz wanna switch me

\* repeat 2x \*

"hardcore, far more than the average"

[rock]

To all my hardcore niggaz yo I'm still the same  
Won't let the game change me, I'm trying to change the game

This shit is mad lame -- hip-hop party rules no jeans, timbs

Or hoodies or hats, sound like you mean me -- fuck ya!

You still get shot up ain't nuttin there but players

Fuck you think? nigga steppin on your thousand dollar gators

Stupid-asses -- you shook at the site of party crashers

At the door actin, like you don't know who bummy jab is

They tell you rock, tellin me, "don't act no fool"

"you heard of scotch on the rocks? " I make the whole shit cool

But i'ma stay the same ghetto-ass, baggy pants

draggin

Deep rollin heat holdin nigga til I'm triple platinum

[ruck]

To all my hardcore niggaz don't forget me (don't forget me)

I know the game change and all of these niggaz wanna switch me

"hardcore, far more than the average"

[rock]

M.f.c.!!

Hey hey, that's my partner price man

The whole industry's against him and me

Like thugs are to death penalties

But we got the remedy for all that punk shit

One clip up in the macra  
Make wiffleballs out all of you popcorn rappers  
Callin my crew haters, knowin damn well you hate me  
But scared to stick it to me, knowin damn well I break  
teeth  
Alcatraz, forever rock hard, got scars for this rap shit  
Got locked behind bars, fluck the actin  
All my grimy-ass cannon handlers, standin in the  
lobbies  
Stay forever rowdy, niggaz \_it's your world\_ like bobby  
Rob these, cats claimin they got so much cheese  
When it's zero degrees and send they monkey-asses  
home freezin  
Reppin for my housin p's and, catch me out in shaolin  
Whylin with ghost, deck, and tical and them  
Before I'm out the door big up my outlaw niggaz  
My hardcore lovin thirsty out for war niggaz

[ruck]

To all my hardcore niggaz don't forget me (don't  
forget me)  
I know the game change and all of these niggaz wanna  
switch me

"hardcore, far more than the average"

\* repeat 2x \*

[ruck]

To all my hardcore niggaz don't forget me (don't  
forget me)  
I know the game change and all of these niggaz wanna  
switch me  
Never that, I'm constantly comin with clever raps  
We sever that, take your head and slap em leather  
strap  
You better pack, your gat or the outcome you outdone

I doubt them, niggaz can fuck with the ruckus without  
fun  
Aiyyo what this about son? aiyyo witness a nigga clout  
son  
Trippin with these chickens and sippin on guinness  
stout son  
Without them, this nigga who jumped up and asked me  
"are you fuckin my sister man? " when that bitch butch  
like cassidy  
Hell no, quick fast this man caught the elbow  
Shells load, he fell froze, buck stuck like velcro  
His man yelled, "yo, ain't no need to fuckin draw gats,  
We all black" put the gat down, I left his jaw tapped  
I saw that, duke ain't want no beef in the first place

Just a gerk face nigga tryin to rep his birthplace  
The worst case scenario, I leave your ass shot up  
Fuck up my rap product and back to crack narcotics  
The moral of this story is -- there is no moral god  
Just my shit is hard, and if your shit ain't like us  
Youse a fraud, motherfucker

[rock]  
Word up  
Straight like that  
Fuck one of y'all niggaz up

"hardcore, far more than the average"

[ruck]  
To all my hardcore niggaz don't forget me (don't  
forget me)  
I know the game change and all of these niggaz wanna  
switch me

"hardcore, far more than the average"

(what, uh-huh, see you in hell motherfucker)

To all my hardcore niggaz don't forget me (don't  
forget me)  
The game change.. but fuck y'all

"hardcore, far more than the average"

Still in there, word up  
Heltah skeltah what the fuck

[rock]  
Chop your motherfuckin hands off and put a walkman  
on you  
With no motherfuckin frequency, nigga

"hardcore, far more than the average"

Dip your ass in honey

"hardcore, far more than the average"

And then just get the flies to ? you motherfucker  
You punk motherfuckers, you sweet sons of bitches

"hardcore, far more than the average"

[ruck]  
Fuckin, onionhead-ass, hardcore shit
