Yo, yo come here man, come over here, duke  
Get your shit over here man  
No, yo stand over here, stand over here  
Get the fuck over here man  
Place to be, nah duke, come over here this where it's  
at, duke

Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe  
Nah! Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe

Buenos Dias, you know me as Ruck-L Numero Uno  
Popey chuno stickin' dick to yo chick coolo  
Hard to kill like the white boy had to snatch a MC off the  
rap back  
For the simple fact he's wack so what's the deal?

I feel you can't step to Sean  
Wiggin' out on bitch ass nigga's since Decepticons  
(Transform!)  
The plan's on but I wish Mary J. Blidge remind me

Take my hoodie off nigga, I can't see behind me  
Why these guys chose to defy laws  
Of the most high most guys get they shit wrapped in  
gauze  
Place to be is on my side  
Motherfuck ya pride, lay undercover from big Ruck  
If ya monkey ass wanna survive

Yo and if you think that's hectic, it gets worse when  
Rock's up in it  
So somebody tell the fat lady, she's up in five minutes  
Shit is almost finished right after I take care of  
witnesses  
Roamin' the premises not mindin' they businesses

And bitches up in yo melon tellin' you to jet  
You know if you stay

I might give you some chest pains like cigarettes  
Bet ya bottom dollar don't move or swaller

You not promised tomorrow but I promise  
You'll make ya holler, pop you coller  
Bone stone's the way that I stalk in my zone  
You can roam, just don't get caught  
Place to be is on my side, duke  
'Cause you don't wanna be the target when I fly the  
coupe, nigga

Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe  
Nah! Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe

Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe

Yo bitch, yo son, that nigga jettied son  
He a bitch nigga  
Bitch ass nigga, man ooh, shit dude got mad sugar in  
his tank  
Pussy

This is for all y'all people, all y'all people  
That still got the little kid in 'em you know  
Put a ad in the motherfuckin' paper we need  
Some true warriors in here

Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe  
Nah! Place to be is on my side duke  
'Cause you don't wanna be the target when I fly the  
coupe
