(Dan Messe/Gary Maurer)

Here's an easy one
Since it's getting late
Since you're half asleep
And I couldn't wait
For the tired sun
With it's tired light
To wake up the world
Just to see you tonight

I know you don't believe me
But I have something to tell you
I know it's not so easy
But Baby, hold me now

If I have to leave
Like I always do
Will you look for me
As I look for you
In a passing glance
From a passerby
I could cross the world
To be near you tonight

I know you don't believe me
But I have something to tell you
I know it's not so easy
