"Leave Me Here"

I should wake up this town
My heart's on fire
Main road and no one's around
As the flames climb higher

I have been here before
And I know the way
But love seemed sweeter and sure
In the light of the day

So as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight he brought me to Heaven
And left me here

I could tell by his face
Those two tired eyes
It's been a long night searching for grace
Now the sun won't rise

Now I have been here before
Though I know I am lost
'Cause the same place that filled me with joy
Is just a road I crossed, just a road I crossed

So as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight he brought me to Heaven
And left me here

So as I rise, I will reach for the livin'
And I'll say no prayer
'Cause tonight love feels nothing like Heaven
Don't leave me here
