The sky is falling-abaft memories of my youth-
All those years i longed for truth-
Now i see that it's all lies-
There is no truth-your youth is dying-
Falling to draw the blinds on nothing inside-
A pain subsides to use your mind- the sky is falling-
Because your youth is dying-
Because your youth is dying-
The sky if falling-
Your world is lying-
Because your youth is dying-
So innocent so pure-
A child sheltered from the world-
You'll never regain hope like before-
It's all over-the sky is falling
-dying-
Why must you hide-
Why can't you try-
A life of lies-
A false denial-
The sky is falling-
Because your youth is dying-
Because your youth is dying-
The sky is falling-
Your world is lying-
Because your youth is dying-
No more time-
Once there's death-
No more time once there's death-
Don't be scared to life your life-
The sky is falling-
Because your youth is dying
