BASKING IN THE DARKNESS-why?  
A black rose-a dead hand  
Be of the strong seems i cannot stand  
Hiding-fighting  
Just pretending to ignore it all  
Nightmares-this fear  
Of the one who has killed you all  
Closed eyes-a sealed mind  
BASKING IN THE DARKNESS  
Why?-Dark voice-my head  
Be of the strong seems i have not bled  
Concave-your trust  
Your fears come from evil lust  
No way-to erase

The vivid pain that lurks inside  
The drab skies-the evil lies  
BASKING IN THE DARKNESS  
Why?  
Reflections of the fresh rain on the concrete  
My brains all twisted and my life keeps dying  
Dilluted dreams floating in  
The gutter once glistening  
The ones that don't care  
Were the only ones listening  
BASKING IN THE DARKNESS  
Why? BASKING IN THE DARKNESS
