In days gone by there was a king. A fool for love and all it brings. So high and wise, could read your mind. A fool for love and love is blind.

A crowded street, an empty train. A fool for love you cry in vain.

A fool for love.
A fool for love.
A fool for love.

In days gone by, there was a Queen. A fool for love and all it means. Red ruby lips, don't touch me eyes. A fool for love and love is blind.

A fool for love.
A fool for love.
A fool for love.

Like flowers in the rain and twist you up inside, I will never be the same. I hear the same old line, you play me for a fool. You really hurt my pride.

A fool for love.
A fool for love.
A fool for love.

In days gone by there was a king. A fool for love and all it brings. So high and wise could read your mind. A fool for love and love is blind.
