Well, the world's full of crazy people,  
Haven't got a clue to who they are  
(Oh, Oh, Oh, Oh, Oh, Oh!)  
In a corner, standin' face down  
Hands in your pockets all the time  
(Yeah, Yeah, Yeah, Yeah, Yeah!)

Always worried, busy, shoutin',  
Carryin' on about the way things oughta be  
(Oh, Oh, Oh, Oh, Oh, Oh!)  
Oh, let's forsake it, break it up, and take it easy,  
Make it light for awhile  
(Yeah, Yeah, Yeah, Yeah, Yeah!)

Be like a roller coaster ride,  
Ain't no stoppin' now!  
Oh, flash flood on the inside  
Ain't no stoppin' now  
An avalanche of snowfall coming down  
Ain't no stoppin' now  
Like no breaks on a race car, look out!  
Yeah, God wouldn't tell you what to do  
If He knew you couldn't make it, y'all  
(Oh, Oh, Oh, Oh, Oh, Oh!)

Oh, Life is good news and it's bad  
You can laugh or just get mad  
It's still the same  
(Yeah, Yeah, Yeah, Yeah, Yeah!)

Get acquainted with your pain,  
But it don't make it easier  
(Oh, Oh, Oh, Oh, Oh, Oh!)

Oh, there's a time to be happy,  
There's a time to be sad,  
Let's take the first one!  
(Yeah, Yeah, Yeah, Yeah, Yeah!)

Preach it, ya'll  
Ain't no stoppin' now  
A free fall from an airplane  
Ain't no stoppin' now  
Or maybe a silver bullet fired from a gun  
Ain't no stoppin' now  
A step beyond the point of no return, hey yeah!  
Find a safety belt, hook it up, pull it tight,  
'Cause there won't be no stoppin' in this place tonight!

Count down to ignition  
Take me worlds away  
No hangin' round till your heaven bound,  
No! That ain't the way to live your life today!  
(Scream) Hey!  
Yo! Nathan East, break it
