Never been all that close to you.
Startin' to wonder why.
Never a deeper conversation,
We always politely lie.
Cover the silence with the laughter
Like there was nothing there.
Something has happened years ago.
Now you don't seem to care.
And it's been a lonely time
But I could never understand
It's been a long, hard road

Oh, I'm in need

It's hard to lose those ugly feelings
But if you're takin' time to try
Take a lesson from me
You can't find love
('Til all is forgiven)
Take a lesson from me
Can't keep love

(Can't keep love)
Take a lesson from me
There's no peace inside
(Til all is forgiven)
Take a lesson now
Ain't no easy way
Oh, yeah
(Are you runnin' from a lifetime?)
You runnin' from me?
(Are you lookin' for a lifeline?)
Take a lesson, take a lesson from me!
(God is kind when
