From time to time you get the sign
Move your body right next to mine
From day to day you get nowhere
Oh baby don't leave me there
Love dove on me
Love dove on me
And when you tell me pass it on
I'll pass it on...
It's a chain reaction it never stop
What's on your mind
A chain reaction it never stop
Think about you all the time
Oh baby what's on your mind
No sympathy dedicate it to memory
Oh turn it on treat me square
How can I be everywhere boy...
It's a chain reaction it never stop
What's on your mind
A chain reaction it never stop
Think about you all the time
Oh baby what's on your mind
I'm down on my knees
Down on my knees
Love dove on me
Love dove on me
And when you tell me pass it on
I'll pass it on...
