Come into my life, oh Lord, forever
I need you to wash away my sin
Need you to love me and forgive me
For all I've done
'Cause I let my own pursuit of pleasure
Distinguish the evil from the good
Leaving me unfulfilled and restless
And craving more, and craving more
But I've come to find out

I never dreamed to be forgiven
Could bring so much joy into my life

You're everything I needed
Oh, I found you'd always love me
Come to find out
You are the one that I needed, ooh!

You're everything I needed
Oh, I found you'd always love me
Come to find out
You're everything I needed
Oh, I found you'd always love me
Come to find out
Come to find out, out
Oh! All I ever needed was Jesus
(All I ever needed
I've come to find out for sure
You are everything I needed, oh)
I found you'd always love me
(Rock!)
Come to find out

(Find out!
You are everything I needed
Come to find out for sure
You are everything I needed)
Won't you love me, love me, oh!
Come to find out, oh, yeah aahay!
Hope to come to find out, hey, hey
(You are everything I needed, come to find out for
sure)
I find you're always gonna love me, yeah
(You are everything I needed, oh
Need to come to fin
