(van morrison)

I can hear her heart beat for a thousand miles  
And the heaven opens every time she smiles  
And when I come to her, that's where I belong  
I guess i'm running to her like a river's song  
She gives me love, love, love, crazy love  
She gives me love, crazy love  
She's got a fine sense of humour, when i'm feeling  
down  
And when I come to her when the sun goes down  
She takes away my trouble, takes away my grief  
Takes away my heartache in the night like a thief  
She gives me love, love, love crazy love  
She gives me love, crazy love  
I guess I need her in the daytime  
I guess I need her in the night  
Someone strong to put my arms around her  
I kiss her, kiss her tight  
She gives me love, crazy love  
She gives me love, crazy, crazy love  
A crazy love
