(ferry/leonard)

Mystery of life  
Buried in the sand  
Moving finger write  
I am longing to understand  
Driving away the dark  
Uncertainty  
A shooting star  
Can go so far  
It?s where I want to be  
Open your eyes  
Day for night  
Look what you done to me  
Open you heart  
Stay tonight  
No woman could mean  
So much to me  
Mystery of love  
Do you see  
The light of the day now?  
Hidden by a veil  
Are the ways  
Of a cheating heart  
Wish I could change your mind  
The restless sea  
A shooting star  
Can go so far  
It?s where I want to be
