Finally caught me at a loss for words
I never thought I'd see the day
Can't imagine what you're goin' through
There's not a single thing to say
Wouldn't fix it anyway, oh no
You know that sometimes this life's not fair
And no one can ever tell you
That they know just how you feel
Crimes like these, I'm sure the pain becomes so real
It takes a miracle to heal, oh yeah
And understanding is far from here
In the crazy times we're livin' in you can't stay the same
Changes for you, changes for me
But come what may my heart will stay
Faithful to you
Doesn't matter what you're goin' through, no
When I can't help myself, I'll stay
Faithful to you
Doesn't matter what you're goin' through
And I'll cry cause I can see you're hurt inside
And I'll die a little everytime
I hear what you confide
'Til everything that's true is tried once more
Until we're standing at heaven's door
In the crazy times we're livin' in God's love remains
He's faithful to you, He's faithful to me, yeah!
Come what may my heart will stay
Faithful to you
Doesn't matter what you're goin' through, no
When I can't help myself, I'll pray,
He's faithful to you
Doesn't matter what you're goin' through
Oh! Yeah!
Oooooo!
So, come what may my heart will stay
Faithful to you
Doesn't matter what you're goin' through, no
When I can't help myself, I'll pray
He's faithful to you
Ooh, yea, yeah
So, come what may my heart will stay
Faithful to you

Doesn't matter what you're goin' through, no
When I can't help myself, I'll pray-ac
