(Like sung by elvis:
Take the ribbons from your hair
Shake it loose and let it fall
Lay it soft against you skin
Like the shadows on the wall

Come and lay here by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night

I don't car what's right or wrong
And I won't try to understand
Let the devil take tomorrow
For tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
It's so sad to be alone
Help me make it through the night

It's so sad to be alone
Help me make it through the night

Lead me through the night...

Oooh....
