Oh! come on now!  
I'd like to thank you Jesus for everything you've done  
for me  
But I'm sure I won't have the time for all the good  
things come to mind  
So for now we'll start with one and then we'll see  
I'd like to thank you Jesus for one thing you've done for  
me  
When I give you full control  
Then you give me back my soul  
And you stir in me a song and let me sing  
Ahh well that ain't bad, but I think we're just scratchin'  
the surface  
'Cause when you make the Lord your king  
There's always one more thing  
That you can thank him for  
I'd like to thank you Jesus for one thing you've done for  
me  
You wash my sins away  
They need washin' every day  
And it's by your love and grace you keep me clean  
Now give me a little time out lord  
Let me just pull my thoughts together...  
(horns)  
I'd like to thank you Jesus for one thing you've done for  
me  
It's just one thing at a time, all the good things come to  
mind  
Stir in me a song and let me sing...  
(bridge) One thing.... thank you for... one thing.... thank  
you for....one thing  
(testimonies)  
\*I'd like to thank you Jesus for one thing you've done  
for me  
When I thought all love was lost  
'Cause I forgot to count the cost  
Well you sacrificed and payed the price for me  
\*I'd like to thank you Jesus for one thing you've done  
for me  
Your glory fills the sky  
And I praise your name on high  
It's you oh lord we praise and magnify

\*I'd like to thank you Jesus for one thing you've done  
for me  
I was once prepared to die  
At the time I still wondered why  
But you changed the time and gave back my life  
\*I'd
