Memory... is the first to go
That's what people say when you're gettin old
But I'll always have Jesus
For the rest of my life
Eternally... it's so good to know
He's still there for me if I lose it all
And I'd rather have Jesus
Than the rest of my life
All those times at the top of the world
Don't recall anyone there
So what good is a spectacular view
Unless you know Jesus is there
To share it with...
Faithfully... is the way I live
Each and every day I have left to give
'Cause I'll always have Jesus for the rest of my life
All those times at the top of the world
Don't recall anyone there
So what good is a spectacular view
Unless you know Jesus is there
To share it with...
Faithfully... is the way I live
Each and every day I have left to give
And I'll always have Jesus for the rest of my life
