Ooo!
In a heart of pride
There's a world of shame
Too great to hide
Not ready to take
To take the blame
I know that life gets hard

When the fire is low
God is reaching me

My cry, my plea!
(Not ready to take, to take the blame
Let me be broken)
Let me be broken!
(The willows weep in the winds of change)
Quite honestly!
(In the blinding snow and the freezing rain
Let me be broken
When the eyes are dry to the widow's pain)
