Oh!

Everybody gather round, need a witness
To take down my testimony
Early on I, I fell in love with a feelin'
It was painless, it was quick and easy
Thought I got the best of love in a hurry
But feelin's took me half-way there

Me oh my oh mercy me!
(Mercy me)
I found love is my
Responsibility
Me oh my oh mercy me!
(Mercy me)
I found love is my
Responsibility

I can speak with the tongues of men and of angels
Solve heavens mysteries
Move the mountains, feed the poor
Gain all knowledge,
But it's worthless with no love in me
Some things just won't keep 'til tomorrow
They're meant to be done today

Me oh my oh mercy me!
(Mercy me)
I found love is my
Responsibility
Me oh my oh mercy me!
(Mercy me)
Well, I say love is my
Responsibility

(What?)
Better that we learn to suffer
(Why?)
Appreciate the love we've found
(Who?)
Share with every kind of people

(Where?)
On common ground

Oh, some things just won't keep 'til tomorrow
They're meant to be done today

(Love is
Love is my
Responsibility
Love is
Love is my
Responsibility)

Oh my oh mercy me!
(Love is
Love is my
Responsibility)
Oh, me oh my oh mercy me!
(Love is
Love is my
Responsibility)

Me oh my oh
Mercy me!
I found it out
I found love
Oh, mercy, yeah, mercy me!
Oh love!
