Lying awake, night after night  
I turn to you for the meaning to a thousand dreams  
Why should I fear what I'm given no answers to?  
I'm living in uncertainty  
What if I cry?  
What if I never learn what the future holds for me?  
I wait for you  
I do  
Assured to find that you are all I need  
Somewhere beyond here  
Is a dreamer's promised land  
Faith is the road where without fear  
I believe I'll understand  
(Once I've arrived)  
Why love is hard to hold like dreams  
That simply must unfold  
(Once I've arrived)  
Life is defined, still unexplained  
I worship you in teary-eyed laughter  
Step of faith again and again  
Reaching out to you from vision and strength of mind  
I wait for you  
I do  
I'm sure to find that you are all I need  
Somewhere beyond here  
Is a dreamer's promised land  
Faith is the road where without fear  
I believe I'll understand  
(Once I've arrived)  
Once I've arrived)  
Somewhere beyond here  
Is a dreamer's promised land  
Faith is the road where without fear  
I believe I'll understand  
(Once I've arrived)  
Why love is hard to hold like dreams  
That simply must unfold  
(Once I've arrived)  
Why love is hard to hold like dreams  
That simply must unfold  
(Once I've arrived)  
Why love is hard to hold like dreams

That simply must unfold  
(Once I've arrived)  
Why love is hard to hold like dreams  
That simply must unfold  
(Once I've arrived)  
Why love is hard to hold like dreams  
That simply must unfold  
(Once I've arrived)  
Why love is hard to hold like dreams
