Tossed upon the ocean  
Your hand steadied straight my bow  
And as I chart the storms of life  
I know you show me how  
And now, in this cold, dark world  
I'm put always to the test  
Your arms are the shelter that offers to me rest  
Lord, You're my safe harbor  
With a word You calm my soul  
And You show me sweet power  
And a love that brings me home  
Never been a stranger  
To this wild and ruthless sea  
I'm scared and broken-hearted  
As I storm life's mystery  
And You know this weary child  
Needs a true and steady friend  
I cling to what I heard You say:  
You'll be at my journey's end  
'Cause You're my safe harbor  
With a word, with a word You calm my soul  
You show me sweet power  
(Power)  
And a love that brings me home  
And I'm not  
Afraid anymore  
Of the passing of each day  
(Of the passing of each day)  
For now I know  
(I know)  
My restless soul  
Has a quiet place to stay  
'Cause You're my safe, safe harbor  
With a word, with a word You calm my soul  
You show me sweet, sweet power  
And a love that brings me home  
Bring me home  
(Safe, safe harbor  
Safe, safe harbor  
Safe, safe harbor  
Safe Harbor)  
Safe harbor

(Safe, safe harbor  
Safe, safe harbor  
Safe, safe harbor  
Safe Harbor)  
Whooo!  
(Safe, safe harbor  
Safe, safe harbor  
Safe, safe harbor  
Safe Harbor)
