When it comes to love
I'd do most anything
'Cause if you have it in your heart you know
You're a rich man
There's just not enough
To go around the world today
And if we had a little more, you know
It'd be a better place
I can only go by what's happened to me
And now I realize
When it comes to love
You're gonna cry a little
Hurt a little
Feel a little pain in your heart
Laugh a little
Care a lot
Take a look at what you've got
It's true we're human
We make mistakes, but
We're gonna live to see a brighter day
(So do what you gotta do what you gotta do)
Yeah, whoo
(When it comes to love)
I just wanna have it all
It's not something you can buy
In any store
Someone to trust
That's what I'm lookin' for
I'm gonna open up my heart and ask you
To open yours
I'm not tryin' to tell you just how it should be
I just want to show you clearly
When it comes to love
You're gonna cry a little
Hurt a little
Feel a little pain in your heart
Laugh a little
Care a lot
Take a look at what you've got
It's true we're human
We make mistakes, but
We're gonna live to see a brighter day

(So do what you gotta do what you gotta do)
Oh, yeah!
(When it comes to love)
Oh, I can build a world
With you by my side
(When it comes to love)
Together we can start a fire
That'll light up the night
Oh, they say you don't know what you got
'Til it's too late
So let's not make the same ol' mistake
(Same mistake)
Yeah!
Whooo!
(Whoa, whoa, whoa, whoa, whoa, whoa, whoa)
Whooo!
-acapo
