Hey, mon!
(Hey, mon)
Play it! Loud!
(Oh, wonderful, wonderful)
(Whoo, hoo, hoo!)
(Hey!)
(Wonderful, wonderful)
When my face is long and my heart is heavy
It's when I hang my head that I call on you, mm

Yeah, yeah, yeah!
[scat singing]
(Your name is wonderful)
Alright, I'm feelin' a little stronger, yeah!

(Your name is wonderful)
Wah, ha! Ha ha!
(Your name is wonderful)
That's alright with me, man, I can sing that too, if you
want to!
It's when I close my eyes 'cause I can't take no more
That you lift my hands and my point of view, yeah
Then you fill my soul, send my spirit right through the
roof
I can't believe that everybody don't know you well
(Your name is wonderful)
Oh, yeah, I've
