I know you had to leave us for heaven  
It's alright  
The living here ain't easy to take now  
But it's alright  
Don't matter 'cause I will never lose the joy you've  
given me  
Wish I could have told you so  
Just once before God set you free  
Let it be 'cause  
You  
(Don't leave me lonely)  
No you leave me  
(Longing for you)  
You  
(Don't leave me lonely, oh no)  
I'm longing for you  
We could have spent more time together  
(It's alright, alright)  
The things I could have said, now I'll never  
It's alright  
Don't worry, child  
I believe the prayer we prayed for a brighter day  
This is why we build our faith on someone  
Who never fades away  
I'm here to say that  
You  
(Don't leave me lonely)  
No you leave me  
(I'm longing for you)  
And you  
(Don't leave me lonely, oh no)  
Longing for you  
(Don't leave me lonely)  
Don't leave me lonely  
(I'm longing for you)  
And you  
(Don't leave me lonely)  
Oh no, and I'm longing for you  
Jesus, keep my longing heart from breaking clean in  
two  
Oh, stand by me, Lord, and help me see this through  
'Cause a Father knows how bad it feels to lose

someone  
To lose someone  
To lose a son like you  
(Don't leave me lonely)  
Don't leave me lonely  
(I'm longing for you)  
Ah, oh!  
(Don't leave me lonely, oh no)  
Oh no!  
(Don't leave me lonely)  
You don't leave me lonely, ah  
(I'm longing for you)  
Ah, you  
(Don't leave me lonely, lonely for you)  
For you  
(Don't leave me lonely  
I'm longing for you)  
Yeah!  
(Don't leave me lonely, oh no)  
Longing for you!
