

## Henrik Skanfors "Silver Screen Lids"

Didn't really get what I wanted  
Grasping for the next best thing  
Touching her visage, my eyes still closed  
Your face on the silver screen lids

There's no faith in this heart, I pretend  
'cause it's too late to start, to end

Could've, should've stayed but I floated off

Into the unknown, the unbeaten path  
Didn't really know what I wanted  
But your face is on my silver screen lids

There's no faith...

There's no faith in this heart, why pretend?  
'cause it's too late to start, to end
