Now the party's over  
I'm so tired  
then I see you coming out of nowhere  
much communication in a motion  
without conversation or a notion

Avalon

When the samba takes you out of nowhere  
and the background's fading out of focus  
yes, the picture's changing every moment  
and your destination  
you don't know it

Avalon

When you bossanova  
there's no holding  
would you have me dancing  
out of nowhere?

Avalon
