Bryan Ferry
"Boys & Girls"

I'm a stranger in your town
That's the place I belong
Laid behind the frame
And the curtain's torn again

A wailing saxophone
And you know it's all in my song
All the sin that I can take
But you don't even know my name

Boys and girls
Boys and girls
Boys and girls

You've got no sense of fun
But you know I've one
All the good has turned to bad
All you know what I think of that

No time to dream, no time to sigh
No time to kill when love walks by
And who's that crying in the street
Death is the friend I've yet to meet

Boys and girls
Boys and girls
Boys and girls
Boys and girls
