Well, I rush out blazin'
My pulse is racin'
As the rain streams down my face

There's no turning back now
To fight with fate
Outnumbered an' out of place

They said, "Go west young man, that's best
It's there you'll feel no pain"
Bel-Air's okay if you dig the grave
But I want to live again

Can't let go
There's a madness in my soul tonight
Can't let go
Must stop ridin' like the storm

Can't let go
Will I run out of control tonight?
Can't let go
Until every trace is gone

It's a winding road from Cuesta way
Down sunset to the beach
Though Canoga Park is a straight safe drive
It's too far outta reach

But now the headlights are flashin' by so fast
All directions seems the same
And the windscreen wipers keep a beat repeatin'
You can't let go again

What's in a name on the street tonight
I'm only a face in the crowd
I'm all in the dark and afraid tonight
There's nowhere to run or to hide

But I can't let go, no, no, no

Sometimes the world outside'll take you in
With just a smile

And you're so blinded with desire

A hundred sleepless nights have left me
Wasted and so cold
But I can take it I'm hangin' on

Can't let go
There's a madness in my soul tonight
Can't let go
Must stop ridin' it like the storm

Can't let go
Will I run out of control tonight?
Can't let go
Until every trace is gone

Can't let go
Can't let go
Can't let go
Can't let go

Can't let go
Can't let go
Can't let go
Can't let go
Can't let go
